AIRMAN PDS100LC-5C5 PORTABLE DIESEL TRAILER MOUNTED AIR COMPRESSOR

Airman is one of the most dependable brands of diesel-powered air compressors in the market today. The PDS100LC-5C5 box-type aftercooled Leak-Guard Airman air compressor has been designed to enhance safety in workplaces with safety a key consideration in its design, with a user-friendly control panel and easy maintenance with ample service doors. The Leak-Guard (bundled base) on the PDS100LC-5C5 was specially built that in the case fuel, oil or cooling water leaks on the frame, the oil fence prevents the leakage from flowing outside. Powered by a Yanmar diesel engine, it is sure to give you enough air power to finish even the toughest of jobs and this aftercooled version make it the ideal compressor to work even in extreme weather conditions.
